Projects

Taskmaster3000 | <https://github.com/wneek018/taskmaster3000> | <https://uwproject2.herokuapp.com/>

Personal ToDo list to help users stay on task each day and meet goals

- Collaborated with a team of 3 other developers in full life-cycle development of application
- Defined and built features based on user needs
- Personally implemented secure user sign-in and data persistence using Passport.js, Google Authentication and MySQL

SayWhaaaat? | <https://github.com/wneek018/SayWhaaaat> | <https://uw-bootcamp-project3.herokuapp.com/>

Multiplayer Wheel of Fortune style React game created with 4 other developers.

- Authenticated server to client using Passport.js, Google Auth, Node.js, Express
- Implemented data persistence using MongoDB, Express, Mongoose
- Handled client to server communication with Express
- Worked as part of a team and interacted effectively with others

Eat-Da-Burger | <https://github.com/wneek018/burger-app> | <https://fast-refuge-88335.herokuapp.com/>

A full stack burger-eating app where you can add, eat, and trash burgers from the MySQL database.

- Designed with Handlebars & CSS for the frontend
- Wrote scalable, performance-minded, highly-readable code
- Updated MySQL database using ORM, AJAX, Node.js & Express

Tastes & Tunes | <https://github.com/wneek018/tastes-tunes> | <https://jesseboe.github.io/GroupProject/>

A party-planning app that generates menus and music playlists based on a food type of your choice.

- Integrated data received from multiple server-side API requests
- Designed, built and deployed client-side web application with GitHub Pages
- Created an Agile team environment to successfully develop the app

Liri-Node-App | <https://github.com/wneek018/liri-node-app> | node-liri-app.webm

CLI app that allows the user to access movie, song and concert info from OMDB, Spotify and BandsinTown.

- Executed server-side HTTP requests to third-party APIs using Axios
- Imported and utilized modules from the Node standard library

Work Experience

Lease Accountant

Jun 2018 - Apr 2019

Genoa Healthcare - subsidiary of OptumRx, division of UnitedHealth Group
