WENDY WIGG

(503) 808-0671 \ wiggwendy@gmail.com \ github.com/wneek018

Professional Summary

Detail-oriented developer seeking to join a collaborative team. Quick learner with experience in JavaScript, jQuery and Node.js. Effective communicator across all teams and employee levels. Flexible and hardworking code geek that works well under pressure and efficiently prioritizes tasks to meet deadlines.

Projects

Tastes & Tunes - group project inspired by the home event planner. In this project we linked the YouTube and Spoonacular APIs to generate playlists based on a type of cuisine.
